BLESSED SACRAMENT SCHOOL ALUMNI NEWS

Blessed Sacrament School is currently looking to hear from YOU, our Alumni. If you graduated from, or attended Blessed Sacrament School in Holyoke we would like you to send us your current address. WHY?

We want to share news about the great things that are happening daily at our school. We now have students attending from Grades Pre 3 & 4 to Grade 8. Along with the academics, the children are involved in many clubs and activities.

Won't you take a minute to download the Alumni registration form and return it to the school as soon as possible?

We thank you in advance. We hope to hear from you soon so that we can share our news with you.
