

BLESSED SACRAMENT SCHOOL ACCEPTABLE COMPUTER AND INTERNET USE POLICY

Internet and computer access through Blessed Sacrament School is a **PRIVILEGE** offered to enhance your learning. It is not a right. Therefore, student access may be limited or revoked by school officials if this privilege is abused or violates acceptable use. Students engaged in unacceptable use of the Internet and computers will also be subject to disciplinary action.

All student use of computers and the Internet is to be conducted under faculty supervision. Nevertheless, students are responsible for acceptable use of a computer network. The computer network is provided for students to conduct educational research and support educational endeavors.

Blessed Sacrament School believes that the benefits to students from access to information resources and opportunities for collaboration exceed any potential for abuse. Blessed Sacrament School maintains tools that are meant to block access to inappropriate sites. Ultimately, however, parent(s)/legal guardian(s) of minors are responsible for setting and conveying the standards that their children should follow when using computers and the Internet.

Student Access

All students in Kindergarten through Grade 8 will take part in an annual grade-level appropriate discussion of Blessed Sacrament School policies and regulations with their teachers before being authorized to use the computer and the Internet. Students are never allowed on Social Networks such as but not limited to Facebook.

Access to Student Files

Students should have no expectation of privacy in the use of computers and the Internet. Pursuant to local, state, and federal laws, administrators and staff may provide access to student files and records to law enforcement authorities. All files will be subject to the Blessed Sacrament School policies and regulations and local, state, and federal laws and regulations.

Personal Safety

Blessed Sacrament School in its commitment to promote a safe and secure learning environment, has filtering software that is designed to filter inappropriate sites. However, the filtering software cannot ensure that all inappropriate sites are blocked.

Students are expected to adhere to the Blessed Sacrament School policies and regulations. Any deliberate destruction, modification, and tampering of technology equipment will be subject to disciplinary action and/or referral to law enforcement authorities. Any activity which inhibits or interferes with the normal operation of the hardware and software which comprise the Blessed Sacrament Schools' computer network system is also subject to disciplinary action.

For Parent(s)/Legal Guardian(s) of Student

As the parent(s)/legal guardian(s), I/we have read and discussed the attached Blessed Sacrament School Policy on Computer and Internet Use and agree to abide by it. I grant permission for my child to access the network computer services and the Internet. I understand that individuals and families may be held liable for violations of the Computer and Internet Use Policy. I understand and agree that should my son/daughter fail to follow the rules as written, his/her privilege to use all technology may be taken away and I shall be jointly responsible for all repair and/or service cost incurred as a result of his/her intentional violation of this Acceptable Use Policy. I also understand that some materials on the Internet may be objectionable, but I accept responsibility for guidance of Internet use, settings and conveying standards for my daughter or son to follow when selection, sharing or exploring information and media.
