

Library Birthday Books

We are happy to reintroduce the practice of accepting new books in your child's name for the Primary or Middle School library. At the time of his/her birthday (or other special occasion), send in a new book and we will put a special, permanent book plate in the front of the book with your child's name and birth date on it. This is a great way to celebrate your child's special day and help stock our school libraries at the same time.

Any family member or friend can make a book donation. What a wonderful way to honor your child for years to come! Please consider books that are age appropriate for the Primary or Middle School library.

Thank you
