

STOP & SHOP Gift Card Program

TUITION REDUCTION NOTICE

Would you like to reduce your tuition payment?

The following describes the Stop & Shop GIFT CARD PROGRAM to reduce your tuition

This is not a fundraiser

About the program:

Families purchase Stop & Shop gift cards from the school. These cards can be purchased in \$10, \$20, \$50 and \$100 increments. These cards may be used anytime at any Stop & Shop store, as well as their gas stations. Cards can be used by anyone since there are no names on the gift cards. Also, they can be used to purchase other gift cards from Stop & Shop. (HomeDepot, Old Navy, Gap, etc.)

Stop & Shop offers a 5% discount on bulk gift card purchases from the school. Twice yearly (in December and June) the 5% that each family earns on their purchases will be credited toward your tuition. You will receive a notice informing you of the total credit, and how your tuition payments will be adjusted.

Here are two examples for you to follow:

- 1 Every Tuesday, Mrs. Smith sends in a check for \$100 made out to the Blessed Sacramento PTG, with her child to school.

On Thursday, she receives gift cards for \$100 to spend at Stop & Shop.
She has earned 5% or \$5.00 towards her child's tuition.
If she does this every week for 10 weeks, she will earn \$50 off her tuition.

- 2 Every Tuesday, Mr. Jones sends in a check for \$200 made out to the Blessed Sacramento PTG, with his child to school. He happens to collect from friends and family to buy gift cards for them.

On Thursday, he receives gift cards for \$200 to spend at Stop & Shop.
He has earned 5% or \$10.00 towards his child's tuition.
If he does this every week for 10 weeks, he will earn \$100 off his tuition.

Notes:>> Gift cards can be ordered in denominations of \$10, \$20, \$50, and \$100 increments.
and:>> Credits are applied to tuition twice per year, in December & June

Program Directions:

On **Thursday, 9/08/10**, **pre-orders** for gift cards should be sent in to school.

Beginning on **Tuesday 9/14/10**, send in your **check along with the order form** (see attached form) with your student.

Check is made out to **Blessed Sacrament PTG.**

{note: if family and/or friends participate, it must be through you, and your check must include their amount. Only send in **ONE check** with child}

On **Thursday, 9/16/09**, gift cards will be sent home with the children.

To get an average weekly amount, we will require pre-orders for the first week of the program. During this time, if you forget to send in a pre-order, you can still send in your order form with check on Tuesdays, however, we cannot guarantee the fulfillment of your order. First priority will be given to those who pre-order with us by Thursday a.m.

Once the first two week is over, you may send in your orders thereafter on each Tuesday, and your gift cards will be sent home on Thursdays. If your order, at any point, is larger than your usual order - please call Bridget Walczak before noon on Friday @ 533-7815

If you have any questions about the program, please call Bridget Walczak at the Primary Building 533-7815.
